I know that getting permits in place can be challenging, and I have spoken to some of my colleagues about the process and how we can facilitate it. They recommended I contact Miguel Angel Cobian in DGVS for advice about the process.

Dear Charles,
As I commented to you before.
It is more easier if you ask for the collecting permit via the Secretaria de Relaciones Exteriores. This should be at our embassy closest to your home.
On the other hand, I will be also asking for my collecting ID card, where I will add all your names. I have the following:
Charles Randklev
Roel R. Lopez
Raul Valdez
Kevin Cummings
Susan Oetker
Kentaro Inoue

Do I have all of you?

Asunto: Updated draft

Hi Susan, attached is an updated draft of our proposal. Kevin caught a few typos and I added Edna as a co-author. BTW- she hasn't had a chance to look it over and so she may have some comments/changes.

Best,
Charles
